

How to Build a Rhythm Game in Godot

GodotCon Boston 2026

GodotCon Boston 2026 - <https://doxey.link/gcb-2026-rhythm>

Who am I?

- Games and tools developer
- Worked with Unity, Unreal and Godot
- Built a lot of what I work on as open source projects
- Currently building my own game engine (in SDL)
- And a multi-engine tool for building rhythm games (Unity, Unreal, Godot, MonoGame, SDL, etc)
- A cat dad (most important).
